INTERNSHIP

Java Developer Trainee | HulkHire Tech Pvt Ltd - Hyderabad, Telangana   Oct 2025 - Present

- Acquired two years of professional experience within the IT industry, during which I successfully implemented advanced functionalities to develop a project from its inception.

  Project: PayPal Payment Integration System

  Description: Developing a secure and scalable online payment system integrating PayPal's REST API with a Spring Boot backend. Implemented robust transaction management, order creation, and real-time payment status verification through asynchronous webhooks. The project follows microservice-ready architecture principles with layered design for maintainability and scalability. Integrated PayPal Checkout API using PayPal Java SDK for processing online payments. Designed RESTful endpoints for order creation, payment authorization and enhancin modularity and maintainability through advanced Spring Boot design patterns.

PROFESSIONAL EXPERIENCE

MIS Executive | CMS Info Systems Pvt Ltd - Madurai, Tamilnadu   May 2025 – Present

- Implementing security measures to protect sensitive data from unauthorized access and ensured compliance with Data protection laws and internal policies.

Assistant Business Manager | Shriram Finance Ltd - Madurai, Tamilnadu   Aug 2023 – Feb 2025

- Implemented customer-centric strategies to increase customer satisfaction and foster long-term customer retention. By prioritizing customer needs and feedback, I contributed to increased revenue and profitability for the company.

Process Associate | MattsenKumar Services Pvt Ltd - Gurgaon, Haryana   Nov 2022 – May 2023

- I successfully identified and implemented strategic measures to optimize various operational aspects, leading to increased efficiency and productivity.

Process Associate | Solartis Technology Services Pvt Ltd - Madurai, Tamilnadu   Apr 2021 – Jul 2022
- Played a key role in maintaining data integrity by conducting regular audits and checks on data entry and processing tasks, identifying and rectifying any errors or inconsistencies.
